

Malaysian Association of
Risk and Insurance Management

Promoting the Best Risk Management Practices and Standards

Risk Management Conference 2016
Sunway Resort Hotel & Spa 27 & 28 July 2016

Reimagining Risk Management in the Challenging World

About the Conference

The MARIM Risk Management Conference 2016 will be held in Sunway Resort Hotel & Spa on 27 & 28 July 2016. This Conference is organized by the Malaysian Association of Risk and Insurance Management (MARIM). The theme of the conference is 'Reimagining Risk Management in the Challenging World'. The conference is expected to bring together 150 risk professionals, researchers and academics from the Asia-Pacific region to discuss issues pertaining to emerging risks and other risks affecting the industries. Presentations by these experts will bring the audience to the latest and up to date situations of the challenges and ideas to prepare for the uncertainties.

Conference Objectives

- To get risk practitioners together to discuss taking risk management to higher level in view of new emerging risk.
- To provide a forum for the exchange of views and experiences of those engaged in risk management.
- To provide consultancy to authorities in the areas of risk management.
- To cooperate with regulatory bodies, government agencies, industries, related associations, media and other stakeholders.
- To encourage and cultivate active engagement with members and chapters.

Target Audience

- Senior professional (i.e. Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Chief Risk Officer, Directors, Risk Managers, etc) from various economic sectors such as financial services, insurance, telecommunication, energy, manufacturing, plantation, construction, etc who are involved in strategic planning and implementation of enterprise risk management in their respective organization either on day-to-day or project management basis.
- Regulators.
- Brokers.
- Adjusters.
- Insurance Companies.
- Government Agencies.
- Academics specializing in risk management, insurance and financial risk management.
